Master Conflict Studies and Peacebuilding

Internship

Formalities and Requirements

• An internship is mandatory.
• The internship should be in the field of conflict studies and peacebuilding.
• Minimum duration: 180 working hours (2 months are recommended).
• Recognition of the internship in the module “Professional and research practice” for 6 ECTS.

Procedure

(1) Search and apply by your own for an internship in a field of work suitable for the degree subject.

(2) Before start: Registration of the internship at the Study Abroad and Internship Office using the form “Praktikumsbestätigung/Internship Confirmation”, including the signature of the internship institution.

(3) Appointing a supervisor from the Institute for Social Sciences for the internship report (students should ask professors or academic staff for supervision). The deadline for the final documents is determined individually.

(4) Internship phase (according to the required minimum duration; longer internships are however possible on a voluntary basis).

(5) After the internship, hand in to the supervisor the following documents: a) Internship report (see guidelines), b) internship certificate (including information on the exact period and duration; dated and signed by the internship institution) and c) completed form “Anerkennung als Berufspraktikum/Internship Recognition”.

(6) Send the internship report in pdf format to the Study Abroad and Internship Office (international@sozialwiss.uos.de).

(7) The internship supervisor will forward the internship documents to the examination office where the ECTS will be booked (registration in HISinONE/OPluM by students is not required).

Note: Osnabrück University does not sign internship contracts as a contract partner.
